It is because of her that our recipes have passed the test of time, traveling over 100 years from the back country of Sicily, right to your mouth! Homemade pasta, fresh seafood, and sauces that are second to none. All of our dishes are developed using only the finest ingredients under Nonna’s strict orders! We pride ourselves in what we do, and we’re so happy you’ve decided to dine with us this evening. So sit back, relax, and let Nino’s take care of the rest! You deserve it!
